

A MESSAGE FROM OUR CEO

Happy New Year! If you are anything like me, you are currently focusing on your New Year's resolutions and personal goals for the upcoming year. I always spend the first few weeks of January reflecting on the past year and focusing on the year ahead. I make it a goal of mine to write down any personal, professional, or financial goals that I may have for the new year. Writing down my goals ensures that I stay accountable and make an effort to achieve them.

We want to remind you that we are here to help you with whatever your goals might be. If you are in the market for a new car or want to have a bit more cash in your pocket for a special project, we can help you! Take a look at our website to see the various products that we offer. If you see something that may interest you, please reach out to us!

Thank you for your membership at Louviere FCU; we are very proud of the community that we have built. We look forward to serving you in the new year. Please do not hesitate to reach out to discuss how we can help you achieve your financial goals.

MONEY-SAVING TIPS FOR THE WINTER

With savings accounts drained from Christmas parties, presents, and New Year's resolutions, money is on the top of minds for many people this winter. Follow these quick and easy money-saving tips to help you get started fresh this year!

1. **Reconsider insurance policies:** Take your annual renewal as an opportunity to look for a better deal.
2. **Gizmos and gadgets:** Avoid splurging on the latest tech. Make sure these items are within your budget.
3. **Supermarket self-control:** Before you make a visit to the supermarket for the basics, make a list and be sure to stick to it. No impulse purchases.
4. **Buy efficient food:** Try to buy food that will last longer or can be frozen. Avoid expensive name brand goods when possible.
