

A MESSAGE FROM OUR CEO

We are quickly entering this second quarter of 2022. At this time, we want to thank you for your membership at Louviers Federal Credit Union. We've had an amazing first quarter, and we anticipate another wonderful quarter ahead. As the warmer months quickly approach, we want our members to know that we are committed to working each and every day to enrich the lives of our members.

Throughout the years, our services and products have evolved to meet the needs of our members. In the present day, we offer a full range of financial services and products for our members. We will continually provide our members with competitive pricing and strive to offer our members the most rewarding experience.

Whether it's a loan for your wedding, a vacation, or a new car, we are here to help you. We will continue to offer our members amazing low rates and benefits. Please don't hesitate to contact us today to let us know how we can help you this spring. As always, thank you for being a part of our credit union family - happy spring!

PLAN YOUR NEXT FAMILY GETAWAY!

The sun is shining. The weather is warm, and there is no better time than the present for a family getaway! Wherever you want to go, let us help you get vacation ready with our signature loan.

We can help you THRIVE in your new home with our mortgage loans! Whether you are buying your first home or looking to relocate, we're here for YOU!

Four Spring Home Maintenance Projects

The long, grueling winter months can be hard on our homes and lawns. To keep your property in tip-top shape and prepare for the warmer seasons ahead, complete the task list below:

1. Inspect your roof for cracked or loose shingles. Have them repaired right away! The last thing you want is the hot summer sun to take its toll and cause further damage.
2. Clear gutters and downspouts. Without proper drainage, your home may take on water in the lower level. Prevent this by cleaning out your gutters!
3. Clean your air conditioner. Over time, dust and debris can collect on your air conditioning unit and negatively impact its performance.
4. Rake the lawn. Rake up leftover leaves and branches in your yard from the autumn season before they ruin the grass.
